

We at Great Boca Smiles would like to take this opportunity to wish all of you a Healthy and Joyous New Year!

It has been an eventful year for us. Dr. and Mrs. Markowitz celebrated the Bar Mitzvah of their son Jake and sent Natali off to college.

We've had some staffing changes as well. As most of you know Fran left last year and left a void in our office as well as our hearts. Susan has joined as our practice manager. She carries with her almost 20 years of management experience.

Maria is our new clinical administrator and brings a high level of expertise to our back office. Her organizational skills and knowledge of dentistry is unsurpassed.

We're pleased, of course that our core staff remains the same. Liz, Luly, Sue, Zoila, Marcie and Leighann with an expanded schedule are happy to take care of your dental needs. Dr. Sean Shkolnik joined the practice last year as Dr. Markowitz's associate. He is our go to guy for your root canal therapy as well as general dentistry. Shannon has retired and Erin has joined the staff as our new receptionist.

Great Boca Smiles continues to evolve with the most current technology. In addition to the CEREC machine we now have Nick our expert onsite technician to fabricate your same day crowns. A 3D printer is on its way enabling us to create diagnostic study models on premises, bite guards as well as make surgical stents for precision placement of multiple implants.

We endeavor to provide you with the most comprehensive experience, a healthy mouth and the most beautiful Great Boca Smile possible. Towards that end we are implementing some policies to ensure that your valuable time is respected. We request that you arrive on time for your appointments. If you must cancel, please do so in a timely fashion, at least one business day prior to the appointment so we have the opportunity to offer it to someone else. We will reserve the right to impose a fee for last minute cancellations and "no shows". We can stay on schedule if you do. In return we offer you the highest standards of dental excellence.

We are re-evaluating our participation with dental insurance plans. While the office may remain in network with most plans, Dr. Markowitz will be considered out of network with some plans. You may continue to utilize your dental benefits but your co-payments may change when you are treated by Dr. Markowitz.

We take great pride in performing cutting edge Cosmetic/Aesthetic Dentistry and look forward to continuing to create your GREAT BOCA SMILE!

With Warmest Regards,

Alan Z. Markowitz DMD
